

GRAYS HARBOR COLLEGE
Operational Policy

Subject: RECIPROCITY

Page 1 of 1

Operational Policy Number: 318

Date adopted: 3/15/11, Revised 8/21/12, Reviewed 11/20/18

Grays Harbor College will ensure that students moving between colleges are not penalized by the healthy differences in the specific general education requirements imposed by individual campuses within the general guidelines of the Transfer degrees (DTA ~~and~~ AS~~T~~) by adhering to the Intercollege Reciprocity Policy approved by the CTC Instruction Commission in 2012 which states:

Reciprocity of Individual Courses:

If a student transfers an individual course that meets a Communication Skills, Quantitative Skill Distribution Requirement at the sending college for a specific transfer degree, that course is considered to have met that requirement at the receiving college for a similar transfer degree, even if this course does not have an exact equivalent and ~~em~~ if the course credit is awarded through prior learning credit.
