- Keith Penner (Chief Executive of Campus Operations)
  - Gym renovation project
    - There is a strong student mandate for a remodeled gym with additional resources for students to use. Keith brought forward a student survey that supports this.
    - There are roughly \$50,000 dollars left from the fireside room remodel that could be spent on this.
    - While a remodel of the front side of the 500 building containing the basketball court, fit lab and faculty offices is feasible.
