

Study for Your Learning Style

AUDITORY LEARNERS	TACTILE/KINESTHETIC LEARNERS	VISUAL LEARNERS
<p>Explain the material to someone, as if you were a tutor.</p>	<p>Pick up the book as you are reading or talking.</p>	<p>Take notes.</p>
<p>Read explanations out loud.</p>	<p>Write while you are reading or talking.</p>	<p>Write questions and answers.</p>
<p>Make up a song using the subject material. The 'crazier' the better.</p>	<p>Walk around while reading books and other resources.</p>	<p>Use color-coded highlighting.</p>
<p>Review audio tapes while you drive.</p>	<p>Sit near the front of their classroom and take notes. This will keep you focused.</p>
