

<b>Please</b>	<b>Excuse</b>	<b>My</b>	<b>Dear</b>	<b>Aunt</b>	<b>Sally</b>
<b>Parentheses</b>	<b>Exponents</b>	<b>Multiplication &amp; Division</b>		<b>Addition &amp; Subtraction</b>	
<b>First, do whatever is in parentheses</b>	<b>Second, evaluate all terms with exponents</b>	<b>Third, do all multiplication and division in order from left to right – do not necessarily multiply first, then divide</b>		<b>Last, do all addition and subtraction in order from left to right– do not necessarily add first, then subtract</b>
